

The SCORE Difference

SCORE Chapter 2 counseling provides you with the expert advice and recommendations needed to start and succeed in your small business.

As a SCORE Chapter 2 counseling client, you will experience “the SCORE difference” – advice from working & retired business owners and executives with extensive business experience, provided free of charge. Our counselors bring a broad range of experiences and expertise, including:

Accounting ■ Advertising ■ Finance
Marketing ■ Sales ■ Human Resources
Operations ■ Business Management
Retail ■ Banking ■ Health Care Services
Manufacturing Engineering ■ Hospitality

You can request a counselor in the specific business disciplines and industry backgrounds that meet your needs. Your initial counseling session will range from one to two hours, with possible follow-up counseling, if desired.

Many clients continue with SCORE counseling until they are able to operate independently. Some clients may delay their start-up plans until risks are clearly defined and their business niche is firmly identified. For clients with ongoing counseling needs, Advisory Teams may be formed to provide scheduled sessions for 12 or more months to ensure success.
